IN THE STILLNESS DWELLS

In the stillness dwells help for every ill,
In the heart of silence grows the seed for every need.
In the silent hour blooms the healing power,
From the depths of peace the power of Christ can flow.

Let the healing start in the human heart,
Let the burden of our pain and grief be swept away.
Mighty Archangel, blessed Raphaël,
Open wide the gates of life and heal our souls.

May the powers above now release the love,
Now release the love that dwells within our inner soul.
From the inner 'I', to the powers on high,
From the depths of love the power of Christ will flow.

A NEW COMMANDMENT

A new commandment I give unto you
That you love one another
As I have loved you,
That you love one another
As I have loved you.

By this shall all men know that you are my disciples
If you have love one for another.
By this shall all men know that you are my disciples
If you have love one for another.

THE LOVE OF GOD

The love of God is greater far
Than tongue or pen can ever tell;
It goes beyond the highest star,
And reaches to the lowest hell.
The guilty pair, bowed down with care,
God gave his son to win;
His erring child he reconciled,
And pardoned from his sin.

*O love of God, how rich and pure!
How measureless and strong!
It shall for evermore endure –
The saints' and angels' song.*

When hoary time shall pass away,
And earthly thrones and kingdoms fall;
When men who here refuse to pray
On rocks and hills and mountains call;
God's love, so sure, shall still endure,
All measureless and strong;
Redeeming grace to Adam's race –
The saints' and angels' song.

Could we with ink the ocean fill,
And were the skies of parchment made;
Were every stalk on earth a quill,
And every man a scribe by trade;
To write the love of God above
Would drain the ocean dry;
Nor could the scroll contain the whole,
Though stretched from sky to sky.
