

YOU HAVE MADE US FOR YOURSELF

You have made us for yourself, O Lord,
And we cannot rest til we rest in you.
Made us for yourself O Lord
Now we shall see Your face.

(Sing twice)

CHRIST'S LIGHT, IT SHINES FOR ME

There's a light that comes from heaven
And it shines on ev'ryone
To light the light that glows in you
It's brighter than the sun.

*Christ's light, it shines for me
Throughout eternity
The more I have the more I see
Christ's light shine.*

When the way ahead seems uncertain
And I'm tempted left and right
The way to go becomes clear to me
When I focus on Christ's light.

And in my darkest hour
When the only light is mine,
I'll shine it out and then I'll see
Christ's light shine.
