In my Heart, in my Mind

In my heart, in my mind,
Stirs the seed: Christ dwells in me.
In my heart, in my mind, grows a love within.
Working in unity, sensing his beauty,
Heart and mind together in the Lord.
We think, we feel, Christ balancing the forces,
We learn, we share, dear fraters and sorores,
In our hearts, in our minds, realising we're divine.

In my heart, in my mind,
I come to know the Christ in me.
In my heart, in my mind, striving to be free.
Feeling so deeply now, thinking so clearly,
Harmonising all that lies within.
We make a vow to follow in your footsteps,
We shall become disciples of the way,
In our hearts, in our minds, celebrating every day.

A New Commandment

A new commandment I give unto you
That you love one another
As I have loved you,
That you love one another
As I have loved you.

By this shall all men know that you are my disciples
If you have love one for another.
By this shall all men know that you are my disciples
If you have love one for another.

In the Beginning Is the Word

(Word Among Us)

In the beginning, is the Word,
Word that is truth,
Still small voice, speak your living truth,
Speak your living truth to us.

In the beginning is the Word,
Word that is faith,
Seed of faith, grow abundant life,
Grow abundant life in us.

In the beginning is the Word,
Word that is light,
Moon and stars, pour your healing light,
Pour your healing light on us.

In the beginning is the Word.
Word that is love,
Lord of all, spread your healing love,
Spread your healing love through us.
